From the President's Desk

The sailing season has arrived, and they are already racing at Corsica River Yacht Club. Another year's busy race schedule is also being finalized.

Joe Lauver has been busy working on both the NA Championship at Surf City YC and International Championships at Tred Avon YC.

For the first time Comets will be included in the NOOD Regatta at Marblehead, MA. This Comet Atlantic Coast Championship will be an exciting three day event, sailed on the same course as other one design classes and enjoying joint social events. I look forward to having a large fleet of Comets.

The NOR and registration process will be sent to you in the coming weeks for these Championship regattas.

Spring sailing is encouraged at Corsica River YC, Shrewsbury Sailing & YC and other Clubs. You can check on the Comet web site for contact information.

Whitecap Composite was delighted to have seven new Comets at the Internationals last year and they are now looking for orders to build another fleet. If you are thinking of buying a new Comet, now is the time to contact Whitecap Composite, so you have your new boat later this Summer.

I look forward to seeing you on the water.

Smooth Sailing

Talbott Ingram President CCYRA

Congratulations!

Congratulations to Kevin & Ashley Buruchian of Massapoag Yacht Club on the birth of their beautiful baby girl, Alianna Quinn Buruchian, on March 1, 2019.

Comet North American Championship Surf City Yacht Club - June 8 & 9, 2019

by Rich Warren

Comets are returning to Surf City Yacht Club! The SCYC is pleased to be hosting the Comet North American Championship on June 8-9. Although the Comet Class is not currently active at SCYC, we have a long history with the class. The Comet was one of the original racing classes at SCYC and remained

active until the mid-1990's.

We have hosted the Junior Championship twice, the Internationals three times, and, most recently, the North Americans in 2007. Life Members Betts & Dick Warren were longtime managers of the class office and the highlight of Dick's long sailing career was winning the Internationals in 1978. Their sons Rich and Steve were active Comet sailors as well, together winning the Juniors in 1969. Rich, with wife Sue, went on to win two International and one North American Championship. This year's SCYC Commodore, Chris Cox, sailing with Andy Temme, won the Junior Nationals in 1987!!

Further information, including the NOR and registration information, is available on the SCYC website:

Comet International Championship Bermuda - 2020

Good Day All,

We are in the process of organizing the 2020 Comet Internationals which will run alongside the Edward Cross Long distance race. The Edward Cross Long distance race is our annual regatta which takes place on the June 17,2020(Bermuda Heroes Day). Comets will sail from the east end of the island (East End Mini Yacht Club) to the west (West End Sail Boat Club), this race is an experience in itself and we would encourage everyone to come out and partake in this historical event.

So far the internationals has been sanctioned by the Bermuda Sailing Association. The Bermuda Government has also come on board for any support we might need for the 2020 Comet Internationals. The committee is currently in talks with shipping agencies to obtain the best rates for transporting of Comets round trip. All parties whom will like to ship their comets will need to let the race committee know no later then September 1, 2019. Full pricing details for shipping will be available on or before the 2019 Internationals.

Kind Regards, Maxwell Curtis Vice President, Comet 2020 Internationals

Pumpkin Bowl Regatta Results Gibson Island Yacht Squadron - November 11, 2018

by Tom Price

A clipper stormed in from the Northwest, the Saturday of the TAYC Pumpkin Bowl, so hard that it blew the whole event to the following weekend at a new location! Gibson Island, a once strong center of Chesapeake Comet sailing hosted the event on Sunday Nov 11. Seven competitive Comets were joined by 3 Penguins, in this historic return of small boat racing to Gibson Island.

Sunday dawned beautiful and devoid of wind but on cue, as the boats completed rigging it started to build from the SE to a nice 6 knots that continued to increase as the day progressed. Five, rather tricky and shifty races were run right in the Gibson Island harbor (now largely free of moored boats).

Talbot and Lee Ingram started strong, winning the first race, followed by Elliott Oldak. Race 2 saw a bit more

breeze, veering to the S. Andy and Lindsay Wood picked this right and won followed by a consistent Talbot Ingram. It was Elliott Oldaks turn to win the next race (crewed by Barbara Best), followed by Comet newcomer Tom Price and John Zseleczky. In race 4 it was Elliott again and in second was Art Silcox and Laura Verdi. The final race, as the sun and temperatures started to lower, was won by Tom Price in his new (to him) wood Beaton boat. As you can see, the top places were well shared by a variety of boats. Four different teams won races, Elliott winning two.

The chili, cornbread and cider in the boathouse went down well as the breeze fell out to nothing. Gibson Island Yacht Squadron looks forward to having Comets come sail there again next season as they represent some of the best of today's small boat racing.
